Motto

“Advancing the Kingdom of God, One Leader at a Time”

KI Vision Statement

The Kingdom Institute (KI) will be the central birthing center for Apostolic Release and Kingdom Education in its region for the purpose of advancing the Kingdom of God One Leader at a Time.

KI Mission Statement

The Kingdom Institute (KI) is the teaching, equipping, and training school of The Kingdom Advancement Center. Its commission is to identify, empower, and send out leaders to advance the Kingdom of God through Jesus Christ the Lord.

The Kingdom Institute (KI) is a teaching and training ministry commissioned to build, develop and equip leaders to advance the Kingdom of God. The KI consists of multiple semester-based courses that teach and activate students in the areas of Prayer and Bible Study, Understanding Spiritual Gifts, Healing and Deliverance, Prophecy, Evangelism, Executive Leadership, Strategic Management and many other topics. All KI entry level courses are held on a rolling weekly schedule, allowing enrollment at any time. The Kingdom Institute is also the Ministry License and Ordination arm of the Kingdom Advancement Center.

Interactive Bible Study Class Goals

KI classes will allow the student to actively participate in Bible Study, rightly dividing the Word of Truth (2 Timothy 2:15). Bible Studies will be facilitated to allow the student to accomplish these 3 goals:

- 1) Allowing the student to receive revelation from the Scriptures of their own volition. The student will be taught how to rightly divide the Word of Truth in such a way as to allow the Bible to interpret itself.
- 2) Giving the student an opportunity to show how he/she has grown in the Word by giving them an opportunity to teach in a supervised setting. People are naturally able to teach subjects that they understand. Giving students a forum to teach will allow the Elders of the Church to discern the students understanding and growth in the Word of God.
- 3) Giving the student an opportunity to openly dialogue about the Scriptures with their Teacher(s). It is of utmost importance that the student be able to give a response concerning the Word that they have been taught. This will allow the teacher to discern the students' Word knowledge as well as allow the student to clarify his/her understanding of the Word.
